EAGLE RULES

To meet the tremendous demand for our "ROYAL EAGLE" and "ALL AMERICAN" Folding Rules with the exclusive RIVETED STRIKE-PLATE JOINT, we have geared all our facilities and every phase of our operation to maximum production of these popular rules. Naturally, we have had to neglect for the time being the other numbers which normally are a part of the line we have been making for 18 years . . . but we shall be happy to advise our customers as soon as we can again guarantee delivery on other rules.
